ABOUT THE EDIT

Richly pigmented paint colours from the Farrow & Ball Archive meet complementary Liberty Interiors Fabrics from the Modern Collector range, creating hand-picked combinations of colour and print for a new generation of homes.

Curated by Farrow & Ball and Liberty experts, these colours and prints create a timeless series that pays homage to each brand’s archive.

HOW TO COMBINE  
COLOUR & PRINT

Charlotte Cosby  
- Head of Creative, Farrow & Ball

“Picking out a secondary colour in the fabric and using it as your wall colour will give both elements more impact – especially if it’s a contrasting tone, like Cola with Botanical Flora in Lacquer.”

QUICK DRYING

\* Coverage is dependent on thickness of application and surface type. Figures are based on one coat, although we recommend at least two coats. All Archive Edit colours are available in the four finishes listed above. For availability of all other combinations of colour and finish, please check our website.

**Please note:** We make every effort to ensure accurate colour reproduction throughout this card. However, owing to printing limitations, the colours shown may not be wholly representative. Test one of our sample pots in situ to discover the true depth of colour and experience how our pigments gently shift in light and shade.
